Developed and Provided by
OAKMONT VISUAL AIDS WORKSHOP VOLUNTEERS April 2023

The Workshop offers our Tactile Aids **free of charge** to all individuals working with children who are visually impaired. Each one, including the book covers, is handmade, and some are especially time consuming. We ship 3 to 4 times a year.

Should you or your school wish to send even a small amount, it would be greatly appreciated. Ours is a volunteer organization, so every penny will be used for supplies. Thank you.
